**COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE**

Applicant hereby acknowledges the Examiner's Reasons for Allowance. Applicant does not necessarily acquiesce to the Examiner's Statement for Reasons for Allowance as other reasons for allowance also exist. Applicant also points out that the different independent claims are not identical, and that the specific limitations addressed by the Examiner in the Statement for Reasons for Allowance do not appear in every independent claim. As such, multiple reasons for allowance exist. To the extent that the entire language recited by the Examiner in the Statement for Reasons for Allowance appears verbatim in one of Applicant's claims, Applicant agrees with the Examiner that these limitations define at least one reason for allowance, although other reasons also exist. Further, Applicant's dependent claims are allowable for additional reasons not stated by the Examiner.

Applicant respectfully requests that the Examiner place the preceding comments into the prosecution record prior to issuance of the above-identified application. The Examiner is invited to telephone the below-signed attorney to discuss this application.

Respectfully submitted,

Dated: April 25, 2012
